PROFESSIONAL SUMMARY

Software Engineer focused on building user-centric web applications using Next.js and Tailwind CSS.

Experienced in responsive UI development, backend integration with ASP.NET Core APIs, and cross-team collaboration. Continuous learner with hands-on project and hackathon experience.

EXPERIANCE

Software Developer – Jodayn

Hail, Saudi Arabia | Mar 2025 – Present

- Worked on database design, including creating system tables and ERD diagrams to support scalable and efficient architecture.
- Built responsive UI using Bootstrap, and tailwind to ensure usability across devices.
- Contributed to QA testing cycles, identifying and resolving functional and integration issues.
- Applied clean architecture principles in backend services using ASP.NET Core Web API and tested endpoints using Postman to ensure reliable data exchange.
- Participated in requirement gathering meetings and reviewed SRS documentation.
- Created use case and activity diagrams to support system analysis and design.

Frontend Developer Intern – Jodayn

Hail, Saudi Arabia | Oct 2024 – Mar 2025

- Built modern, responsive web pages using Next.js and Tailwind CSS.
- Partnered closely with UI/UX designers to deliver pixel-perfect layouts.

COOP IT Support – King Khaled Hospital

Hail, Saudi Arabia | Jun 2024 – Dec 2024

- Provided frontline IT support to hospital staff, resolving hardware, software, and network issues.
- Installed, configured, and maintained medical software and IT systems.
- Created and managed Active Directory domains for hospital IT infrastructure.

PARTICIPATION AND COURSES:

- IBM Git & GitHub • Software Testing (University of Leeds) • SADAIA Hackathon • NASA Space Apps

HARD SKILLS

Frontend: Next.js, React.js, Tailwind CSS, Bootstrap, HTML, CSS, TypeScript, JavaScript

Backend: ASP.NET Core MVC, ASP.NET Core Web API, C#, Java, Python, SQL

Tools: SQL Server, Git, GitHub, Postman

Familiar: Strapi, Oracle, Flutter, Dart

Languages:

Arabic (Native), English (Fluent)

SOFT SKILLS

Teamwork & Collaboration | Problem-Solving | Continuous Learning | Debugging | Time Management |

Attention to Detail.

PROJECTS

Personal Portfolio

<https://my-portfolio-nine-ruddy-49.vercel.app/>

Designed and developed a personal react and firebase portfolio website to showcase professional profile, technical skills, and projects in a **clean, interactive layout**, including sections for bio, technologies, projects, education, and contact information.

Villa Vista – Web Booking System (ASP.NET Core MVC)

<https://noondev2002.bsite.net/>

- Designed and developed a **villa booking web application** using **ASP.NET Core MVC**.
- Implemented core features including **villa listing**, **booking workflow**, and **user-friendly UI pages**.
- Implemented **authentication and authorization** using **ASP.NET Core Identity**, supporting **Admin and User roles**.
- Built the system following **Clean architecture**, ensuring separation of concerns and maintainable code.
- Integrated **SQL Server** for data persistence and relational data modeling.
- Applied **Bootstrap and responsive design principles** to ensure usability across devices.
- Managed static assets and deployment configuration for production hosting.

EDUCATION

University of Hail, Saudi Arabia

Bachelor of Computer Science – Software Engineering

GPA: 3.24 | Dec 2024
